Day 6

Mt. Titlis - Interlaken – Geneva

- Today board the world's first revolving aerial cable car on Mt Titlis to reach a height of 10,000 feet. As the cable cars ascend these beautiful mountains you may see people in the valley below on the several theme walks or on Trotti (seat less) bikes. Once on top, visit the icy glacier cave where we can see a beautiful display of sculptures made of ice, while being encased in ice if you like and in the open terrace, play in the snow or go on the ICE Flyer chair lift over the crevasses. Do not forget to send a postcard to friends and family from Europe's highest post office with its own special postmark. Later descend the mountain and drive to Interlaken, a town between two lakes, popular place with Indian movie directors. Later depart for Geneva, to see the United Nations building, Flower clock and the Jet d'Eau (weather permitting).
